CPESC

The Certified Professional in Erosion and Sediment Control is a certification with national standards for knowledge and expertise in erosion and sediment control which is evaluated on a peer review process. This helps to maintain standards and procedures for work in this field.

CESSWI

The Certified Erosion Sediment and Storm Water Inspector is a certification to help maintain national standards technical qualifications for inspectors as well as to ensure that inspections are done in compliance with local, state and national laws.

The Review Class

The review session will be led by: RANDALL SHUEY, CPESC, CSS, CWS NEW ENGLAND ENVIRONMENTAL, INC. Mr. Shuey is an approved trainer by CPESC, Inc. and served as the Administrative Vice Chair of the CPESC Council. Mr. Shuey is an environmental consultant specializing in soil stabilization, wetlands and development issues. He has presented training and seminars on construction issues throughout New England.
