**Implementing Good Erosion Control in New Hampshire**  
**November 16, 2009**  
**8:30 AM – 4:00 PM**  
**NH Department of Environmental Services Auditorium**

Over the last year there have been many changes in the storm water regulations in New Hampshire. In addition, NH has rolled out new stormwater manuals. This workshop will give attendees the opportunity to get familiar with the updates as well as learn how to improve erosion control measures both in the planning stage and implementation stage.
